Computer programs for calculation of **median effective dose** (LD 50 or ED 50) using the ...

MM Schaper, RD Thompson, CS Weil - Archives of toxicology, 1994 - Springer  
 Abstract. Over the past 40 years, toxicologists and pharmacologists have used  
 tables published by Weil for the determination of LDs0 (or EDs0) values and  
 their associated 95% confidence intervals. With the advances in computer ...
